

## Operations/ Asset Manager

OM-3 is the UK based Operations & Management Company focused on driving improvements for hydropower schemes and owners through operations, maintenance, monitoring and management.

We are looking for an experienced Operations Manager to manage a portfolio of hydro operational sites, deliver scheduled and unscheduled maintenance and service programmes for our clients across Scotland.

### Main Duties & Responsibilities

- Liaison with clients and contractors, including contract management and performance reporting
- Track and monitor project performance, milestones and identifying dependencies and risks
- Manage commercial agreements including Power Purchase agreements and FIT agreements
- Assist in the development of financial models and supporting clients in the development of long term commercial plans
- Coordination of formal reporting to clients by liaising with site management and other relevant functions
- Health & Safety and regulatory management and issuing of regulatory reports as appropriate
- Liaison with all Operations site personnel to ensure the smooth running of the department
- Regular site visits and assistance with some O&M activities

### Skills & Experience

- A relevant engineering or business qualification
- Have mechanical, hydraulic and/or electrical background
- 5 years' experience of hydropower operations
- Experience in a supervisory position
- Excellent client-facing and communication skills, both verbal and written
- Flexibility to work to tight deadlines, including the ability to deal with incidents or issues as they arise, often on short timescales (including some weekends)
- Strong troubleshooting and multi-tasking skills
- Strong writing skills, numeracy and commercial acumen
- Proactive and ability to be flexible in a changing environment
- A hands-on person with a can-do attitude
- A full driving license

This is a great opportunity for a dedicated and exceptional candidate who will become part of our close-knit team of individuals.

At OM-3 we love what we do, and we're looking to grow our team with people who share our passion for success. We want individuals who will bring their style to every experience and put our clients at the heart of everything they do.

The successful applicant will be offered an attractive salary and benefits package and continuous personal development within a globally leading organisation.

If you would like to take the next step in your career, please submit your CV and covering letter to Audrey Jones, [ajones@hydroplan.co.uk](mailto:ajones@hydroplan.co.uk)
